MEET KIKI

Meet **Kiki** our Kids for Kindness mascot, she will be joining us on our missions and helping the children spread kindness in the world around them.

DECEMBER CHALLENGE

This December we are challenging the children to spread joy.

Think about the people around you, what can you do or say that will bring them joy? It could be as simple as a smile or a hug.

DECEMBER MISSION UPDATE

This month saw Kids for Kindness supporting those most in need. They brought joy in both Limassol and Nicosia. The children put love into preparing their gifts and cards. When delivering them, the children made a personal connection with those they are helping.

JOIN US

In January we will be planting trees to aid in the restoration of our beautiful villages affected by the wild fires this summer.

Keep an eye on our social media to register!
