FEBRUARY MISSION UPDATE

This month saw our fabulous young volunteers spreading love on Valentine's Day as they gathered on the Molos, wrote Valentine's Day cards and gave them to passers by alongside balloons, teddies and flowers. We also created lasting memories of love to take home - including our extra special 'Jars of Love'. Our young volunteers were rewarded with pins, balloons and teddies!

Parent Testimonials

"Thank you so much for such a beautiful event on Saturday. Spread the Love truly lived up to its name! The atmosphere at the Molos was absolutely wonderful - so full of warmth, joy and connection. So grateful to have been part of it and already looking forward to the next one!"

"Leading with love - Even to strangers. Random acts. Real impact. Love given simply because it can be - that's how the world changes."

FEBRUARY CHALLENGE

This month we are challenging the children to bring love to others by writing notes of encouragement and love or drawing a picture for those they love.

They could even make a 'Jar of Love' for someone special.

JOIN US

In March we will repeat a very popular mission! Showing gratitude to the workers who keep us healthy and safe. We will make Easter baskets and split into groups visiting either the Police, Fire Brigade or the Hospital.

Click on the Fireman to register before spaces fill up!

With appreciation, this mission is sponsored by ISX Financial.
